

V.R.N.
VEHICLE RESCUE NAVIGATION

YOU HAVE AN OLD MOBILE PHONE THAT WORKS BUT YOU ARE NOT USING IT
YOU HAVE A BICYCLE OR A MOTORCYCLE THAT NEEDS PROTECTION FROM STEALING
BUY THE CHEAPEST PHONE CARD FOR 5 EUROS - IT IS ACTIVE FOR 270 DAYS WHICH MEANS THAT YOU HAVE TO CHANGE IT ONCE A YEAR
TURN THE PIN OFF (IT IS EASIER TO ACTIVATE AND DEACTIVATE THE PHONE THAT WAY)

IT ALL COMES DOWN TO HOW WELL YOU HIDE YOUR MOBILE PHONE

HIDE IT SOMEWHERE ACCESSIBLE SO YOU CAN EASILY TAKE IT OUT WHEN IT NEEDS RECHARGING

TURN ON THE PHONE ONLY WHEN YOU NEED ITS PROTECTION

YOU CAN HIDE YOUR MOBILE TELEPHONE IN VARIOUS AREAS OR EVEN MAKE YOUR OWN CAMOUFLAGE POCKET FROM AN OLD PLASTIC SOAP BOX - EXAMPLE - IT LOOKS LIKE A PART OF THE ENGINE

IF EVERYTHING GOES ACCORDING TO PLAN THE POLICE WILL FIND YOUR VEHICLE AND RETURN IT TO YOU
ALL THANKS TO THE V.R.N. !
